Mayor Garrett,

Attached, you will find a figure showing the properties within the COB that we have visited to date (marked in green), those scheduled or in the process of scheduling a site visit (marked in yellow), and properties for which we recommend additional outreach (marked in red). Please note that this figure does not include the seven (7) properties outside the COB discussed in our weekly update on December 20, 2024. An Excel spreadsheet listing the addresses of the red-shaded properties is also provided.

Our criteria for recommending properties for additional outreach from Launch are as follows:

- The postal service could not deliver the questionnaire.
- The owner requested a site visit, but we have been unable to contact them after multiple attempts.
- Properties with more than 4 feet of waste fill identified by the 2007 Remedy Selection Plan that have not submitted a questionnaire.

We are working in partnership with Launch to prepare a figure
